

# *Gill Health Initiative*

---

**22-23 May 2014**

**Veterinærinstituttet**  
— *Norwegian Veterinary Institute*

## Steering Group

	<b>Industry</b>	<b>Agency/Research</b>
Ireland	Hamish Rodger	Neil Ruane
Scotland	Iain Berrill	Randolph Richards
Norway	Gordon Ritchie	Duncan Colquhoun
Australia	Steve Percival	Mathew Cook Barbara Nowak

- Purpose of initiative:
  - share knowledge, results and experiences
  - accelerating progress in development of specific mitigation strategies
  - stimulate research & collaborations
  
- Taking a multi-nation approach with research and industry alliances with representation government agencies (based on PD Tri-nation model)

## Meeting objectives

1. Update on disease situation
2. Overview of current research initiatives
3. Identify practical research outputs and potential improvements in mitigation
4. Identify additional research needs, future projects and funding
